3 years worth of programming experience in general

Express

Node.js

Excellent communication

Ability to work with team

## PERSONAL PROJECTS

### Ecommerce Website

- A multipage website which allows customer to view product, add them to their wishlist and cart. The App also has login and signup feature along with Implementation of jwt tokens to authenticate the users.

### Quizzical project

- The quizzical project is a react website which asks users ten questions about geography. Check the website at the link below
- <https://jovial-bombolone-04198f.netlify.app/>

### Wordle Game

- This website allows users to guess a random 5 letter word with only 6 guesses. I made the website with Typescript and React. Check the website on the link below:
- <https://splendid-unicorn-4e9cb0.netlify.app/>

### Other Projects

- Checkout My Netlify Profile to see my other projects
- <https://app.netlify.com/teams/kaif987/overview>

## CERTIFICATES

### Certification of Completion for React Course (05/2022 - 08/2022)

In 3 months I learned about the advanced concepts in React like react routers, context API and prop pattern.
